We are pleased to offer our boarding clients a convenient way to pick up their pets after the office is closed. For an \$8.00 deposit (which we will credit once the fob is returned) we will give you an electronic fob that will open the door to our boarding facility so that you may collect your pet and belongings on your schedule. Your fob will open the door until 11:59 PM on the day of your planned return. Your fob is electronically programmed and will not work at 12:00 AM of the next day. If your plans change and you need to extend your pet's stay past midnight, please call us during business hours so that we can change your reservation. We are happy to accept credit card payment over the phone for the extension, and our kennel staff will make sure your pet is comfortable until your return. If you are unable to contact us during business hours, you may pick up your pet the next day that the office is open. **Keycard number** _____
